# WINDOW ON THE YEAR

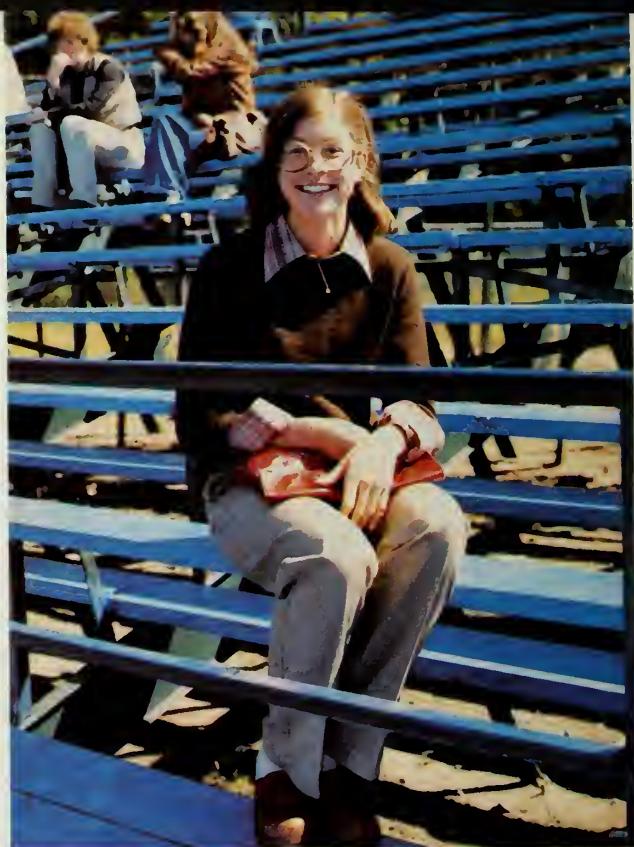

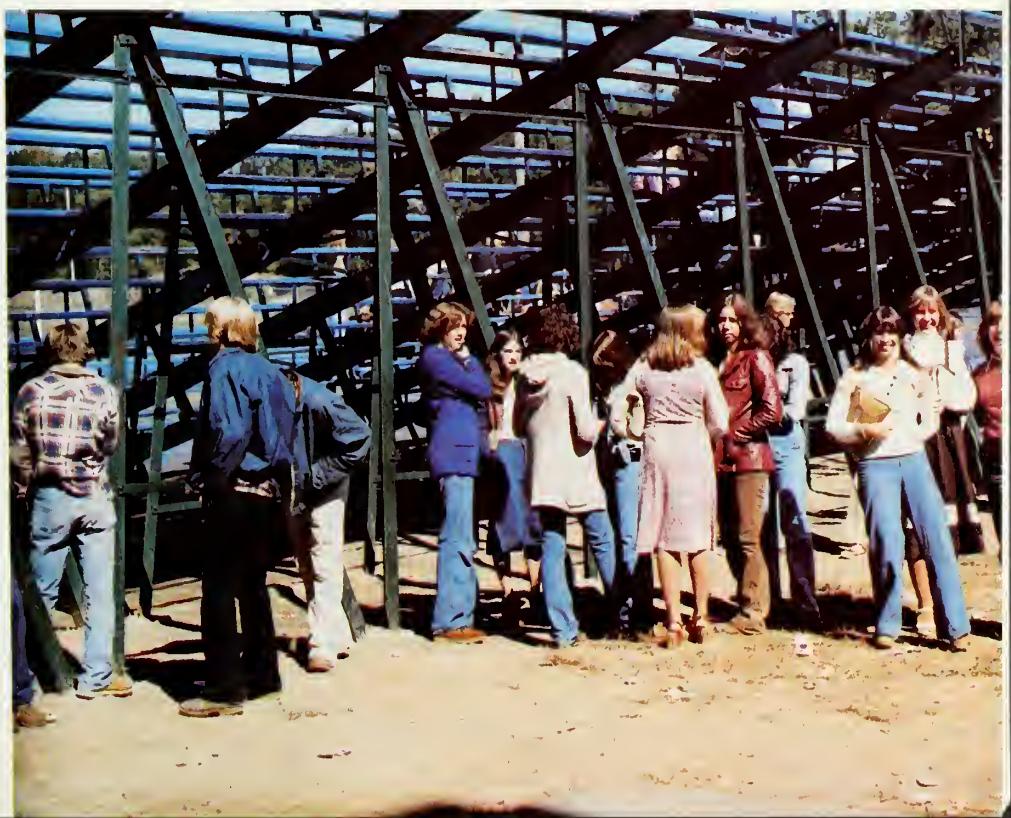

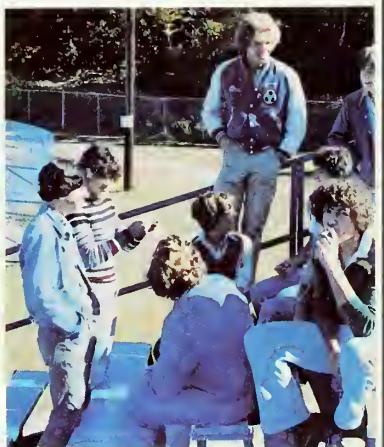

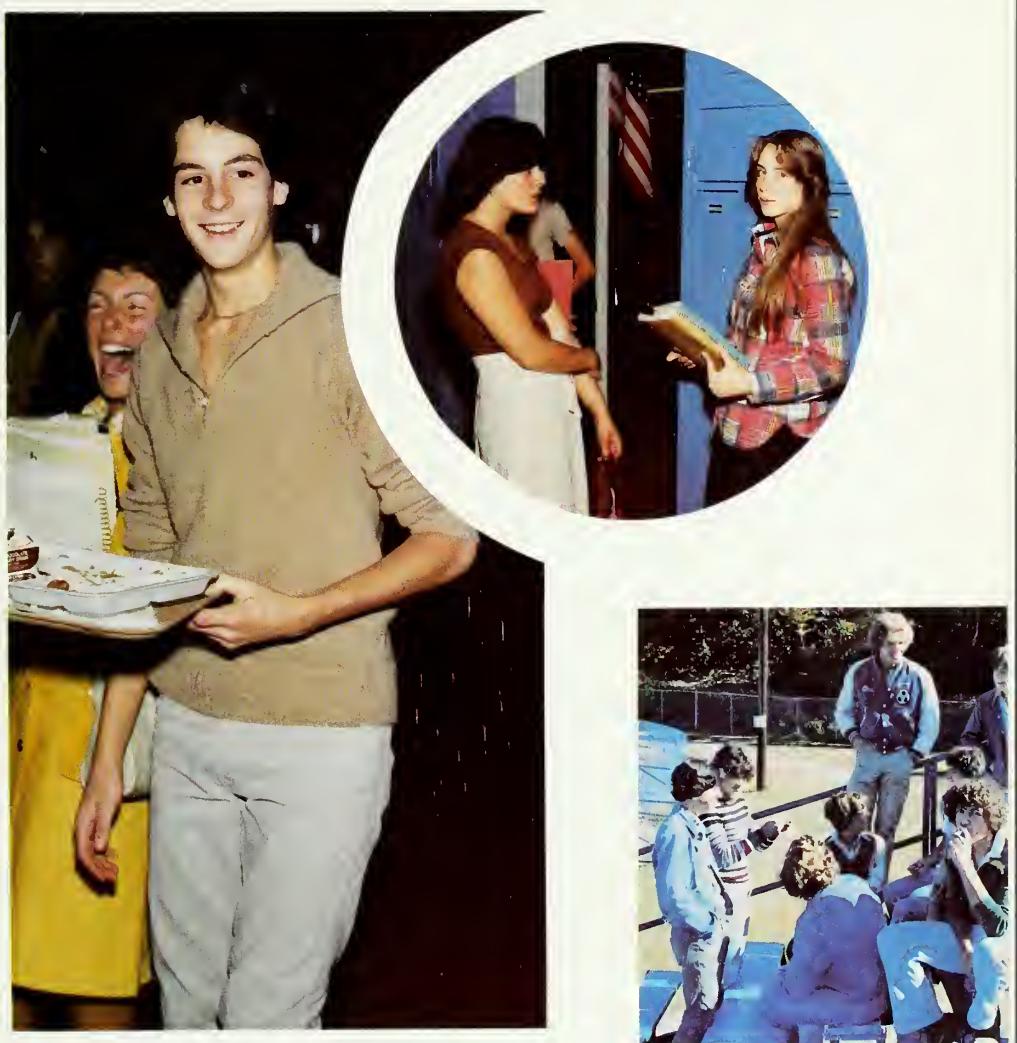

META

'79

To some a window may be an opening which admits air and light, but to the class of '79 it is an opening to the future. For the past twelve years we have taken only brief glances through the windows of our lives, but with graduation, new windows will have been opened into a world of new experiences.

Though we leave many windows behind as we travel through life, these windows remain open so that, pausing on our journey, we may gaze back through them at the experiences that are now only memories.

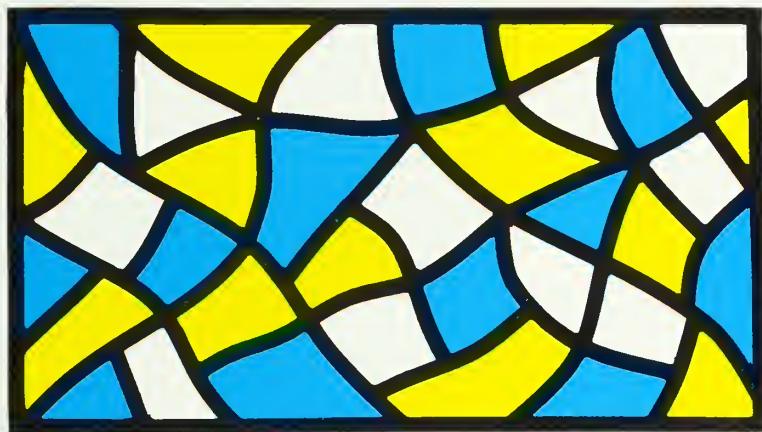

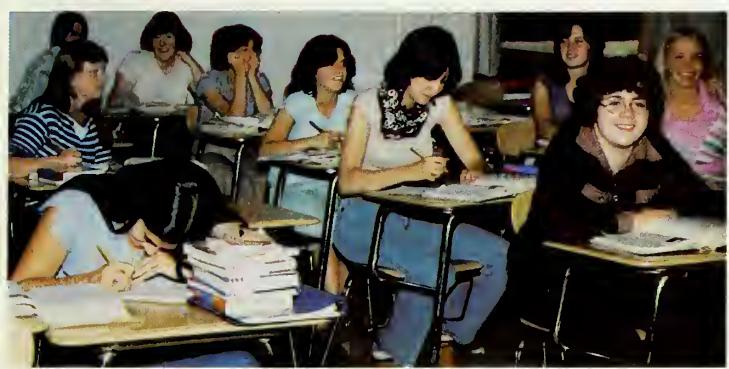

The sun bounces off a window  
In turn you see your reflection,  
An image of a high school graduate.  
The blank face stares out, you think:  
"School has been my security,  
where do I go from here?"  
We do not wish to say good-bye,  
to leave the only life we have ever known.  
But on we must go to where our future lies.  
Look ahead and smile, because the  
memories  
of the last twelve years will be  
everlasting.

People's faces reflect their thoughts. The stopped action of a camera captures the essence of our impressions at Peabody High.

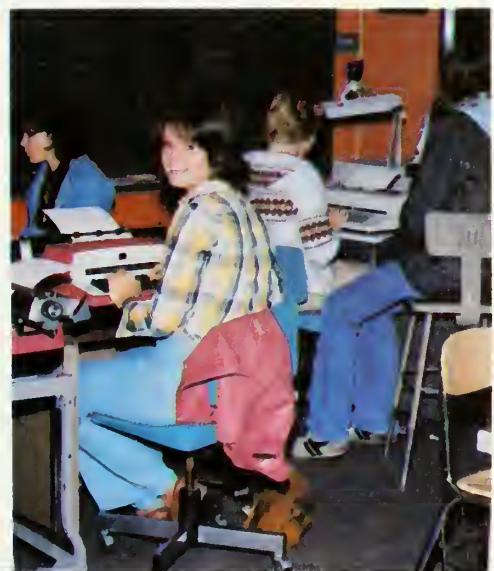

Today we are young:  
Our lives are filled with special songs  
still to be sung . . . hearts still to be  
given . . . faith in ourselves and in our  
world, unshaken. But when our songs  
and aspirations have been forgotten  
. . . and when our faith is worn with  
age, we will remember, as through a  
window, these golden days and THE  
NATURE OF YOUTH.

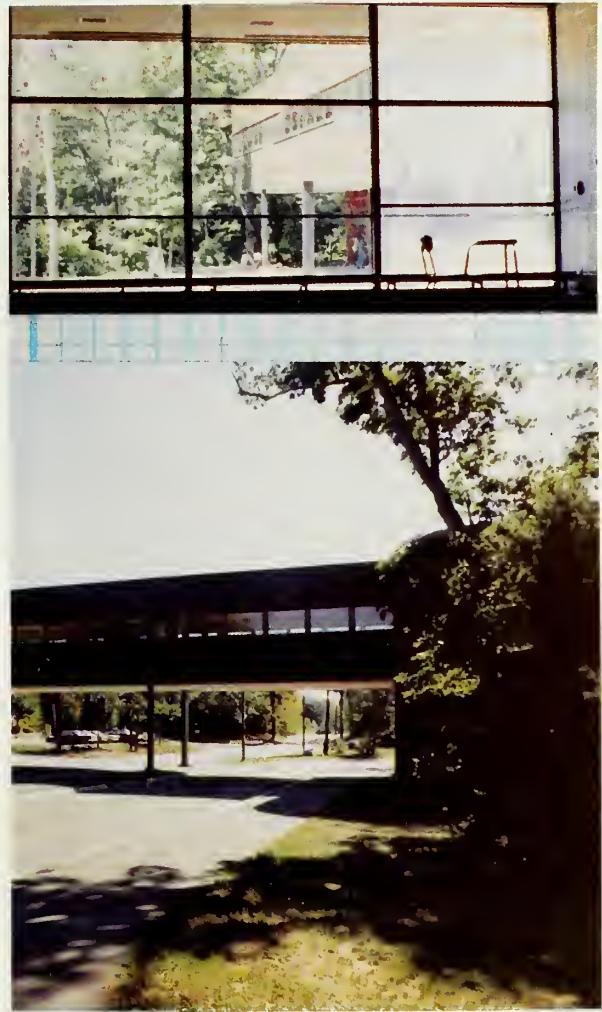

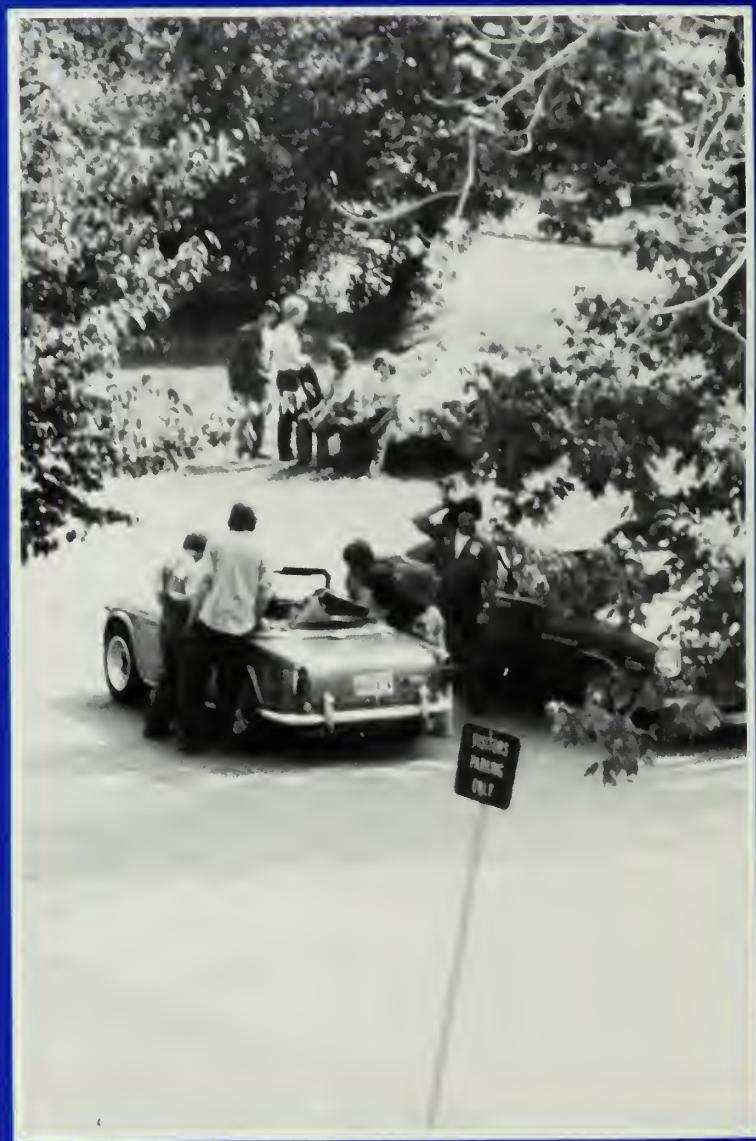

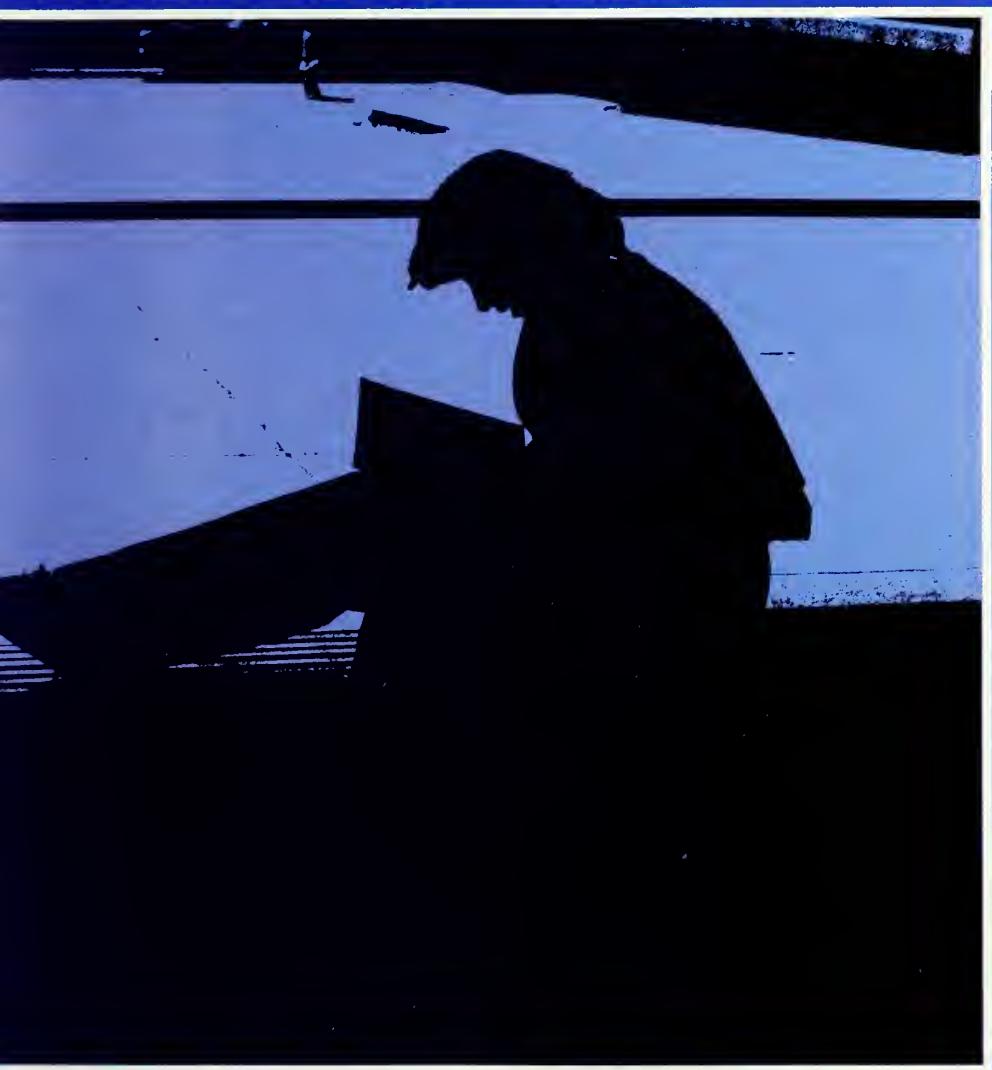

Yesterday is but today's memory,  
Existing only in our minds.  
Like an ever-changing kaleidoscope,  
The past is revealed by a pattern  
colored by half-remembered,  
Scattered thoughts.  
Each thought is a bit of stained glass,  
Some somber,  
Some sparkling;  
Some stained with satisfaction,  
Some with regret.  
Each represents a person,  
A place,  
Or an experience  
Which contributes to the whole design of  
Yesterday.  
Through this book,  
The past becomes alive again.

Windows on the past bring back memories of our lives at PVMHS. The META is one of these windows. As we gaze through this yearbook, we are reminded of the special experiences we shared together. The windows of PVMHS have come to a close, but this is not the end. This is only the beginning . . .

# WINDOW ON THE FACULTY

To the Class of 1979:

When the students of several nations voted on the greatest man in history, Louis Pasteur headed the list. The four outstanding qualities of this "greatest man in history", according to a psychologist, were: enthusiasm, industry, courage and the ability to learn from his mistakes.

For each of you, graduation provides the opportunity to reflect upon both previous mistakes and accomplishments as well as to anticipate future goals.

All of you can achieve your goals by utilizing previous knowledge with the desire for continual learning.

I fervently hope and trust that success will follow you whether it be for further academic training, or immediate employment.

My very best wishes to each of you for health, happiness and inner peace as you join the alumni of Peabody Veterans Memorial High School.

Most sincerely,

*William A. Welch*

Dear Graduates:

The staff of the Vocational High School and I would like to express our hardest congratulations to the class of 1979 and in particular to those members with whom we were most closely associated -- the students of the vocational school.

The special skills that you have acquired in your specific area of training, wisely used, should be a stepping stone into your future, a future that we hope will be fulfilling and productive.

Best wishes, and please visit us from time to time as we will always be interested in you and your progress.

Sincerely,

A handwritten signature in cursive script that reads "Richard J. White".

# DEDICATION

We, the Class of 1979, sincerely and affectionately dedicate this 1979 META to Elizabeth Sheehan, the advisor of the yearbook, and to the other members of our faculty. Words cannot express adequately the gratitude we owe them, for it is largely due to their encouragement and understanding that we possess the knowledge that is ours today.

Wherever we may find ourselves in the years to come, we may be sure that the present faculty, the men and the women we have grown to like and to respect, is the one that will remain forever in our hearts and in our memories.

The PVMHS varsity Football team finished with an impressive 7-3 record for the 1978 season. Many pre-season polls and experts were wondering if this was going to be a losing season in Tanner-Town, the last one being in 1970. With only several starters back, the coaching staff was faced with rebuilding a team which could compete in the physical GBL. It is indeed an honor to this year's squad, to exceed all expectations and nearly claim a GBL title. Finishing second to Medford, two six-point losses stood between PVMHS and a title.

Probably the strongest component of the Tanners in 1978 was its defensive secondary. Appropriately nick-named the "Jolters", they did just that to opposing ball-carriers and receivers. Led by free safety Mark Gillespie, cornerbacks John Lane and Scott Wlasuk, and invert Sean Connors, the Tanners defense again was very formidable. The secondary played so cohesively as a unit that its main ingredient, free safety Mark Gillespie, was able to set a career high in interceptions at PVMHS. Mark was also interviewed by a local Boston TV station following the team's victory over Chelsea. It marked the first time a Peabody athlete has appeared in a sportscast on Boston TV. Mark has proven himself and has become one of the most highly-recruited student athletes in Eastern Mass.

Linebackers Dave Wall and Kevin Waters added another dimension which, combined with the secondary, made it hard for opposing QB's to throw on the Tanners. Veteran line man Paul Griffin anchored the defensive line. The defensive line also had seniors Chris Tillas, Tom Peretzian, Bob Aronson, Bob Rubano and Steve Gallant. Steve Gallant was used in many positions and was a pleasant surprise on defense.

On offense, John Lane and Tom D'Amato were two moving forces in a unit that averaged almost twenty points a game. John Lane was constantly a threat to keep the ball and showed a passing prowess that made him one of the better Tanner QB's of this decade. Tom D'Amato was a strong off-tackle and inside runner and, although small for a PVMHS tailback, gained tough yardage with his hard-nose style.

A severe injury kept George Hiou on the sidelines a majority of the season. Steve Gallant handled the backup Qb job as one of his many roles.

This year's Field Hockey team was the most successful team at PVMHS. The team compiled an impressive 13-2-1 record which brought them to the quarter-final round of the state tournament. The team lost to Woburn in overtime, 2-1. Woburn went on to win the state title.

The team's success can be attributed to several factors: the leadership of the Co-Captains Jeanne Hallinan and Jo-Anne Splaine; the experience of the seniors; and the exceptional skill and depth of the juniors.

Senior Co-Captain Jeanne Hallinan, Greater Boston League all star, had 19 goals and 14 assists. Jeanne was chosen most valuable player. Other valuable players were Co-Captain Jo-Anne Splaine and Stephanie Smith, Ellen Nager on defense, and goal-keeper Julie Harrington.

Juniors chosen to the GBL All-Star Team were Michele Kravchuck (2 goals 14 assists), Sheila Markham (8 goals 10 assists), and Elaine Sanger (4 goals 10 assists). The other members of this outstanding team whose participation was equally important were: Nancy Bergin, Jill Ventola, Pat Cirinna, and Mary Duff, and defensively, Terri Eager, Maureen Fitzsimmons, Chris Jones, and Lori Kelso. Jeanne Hallinan got three hat tricks this season. Nancy Bergin and Sheila Markham got one each.

The team did so well because all performed their parts equally. Forty-nine goals were scored by the team for the season; nine shut outs were recorded and six goals scored against.

This year's Soccer team had an unfortunate season, due to injuries and academic casualties. The team had a record of five wins and eight losses. The senior starters on the forward line were: John Barrows, George Birmbas, Eddie Morais, Rick Isles (captain), Mark Ruddock (captain), Paul Clifford, Roy Zallis and Peter Noyes.

John Barrows had a fantastic year; he was awarded Most Valuable Player, and almost broke the record for the most goals in one season. He scored just three fewer goals than the record.

Mark Ruddock was a top fullback who showed much aggressiveness. He was given the Unsung Hero award.

The girls x-country team dominated every meet, winning the GBL, Northern Area, Division I and State Championships. They have the unique distinction of being the first team, in any sport, to bring a state championship title to Peabody. The team's state championship was led by Lesley and Lisa Welch, Fran Cronin, Cathy Carnes, and Dianne Fisher.

Much credit for helping the team to capture the state championship title goes to the great back up efforts of Gerianne Cotreau, Ellen Donlon, Arlene Thibodeau, and Karen Whippen. Departing seniors of this year's squad are: Gerianne Cotreau, Arlene Thibodeau, and Cathy Carnes.

The boys also had a very good year in Cross Country. Fernando Braz won everything in sight, including Division I State Championship and State Championship (the first time an underclassman won all state meets.) The team was young, but returning veterans Doug Quintal, Gary Leavitt (co-captain), Mike Quinlan (co-captain), who was out part of the season with an injury, helped him bring the team along. The team did not lose any meets all season.

Fernando Braz and Lesley Welch were state champions. Fernando, Lesley and Lisa Welch, and Fran Cronin, were Globe All Scholastic for Cross Country. Mr. Smyrnios was named Coach of the Year.

# BASKETBALL

## BOYS

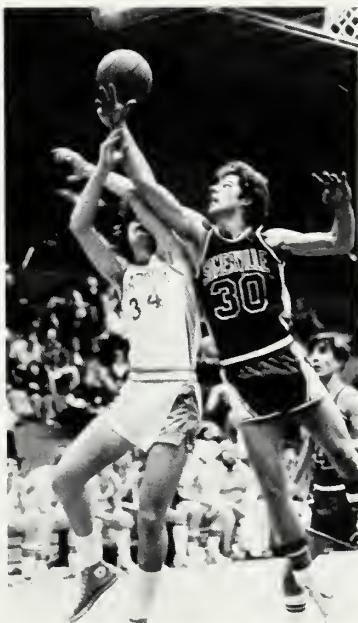

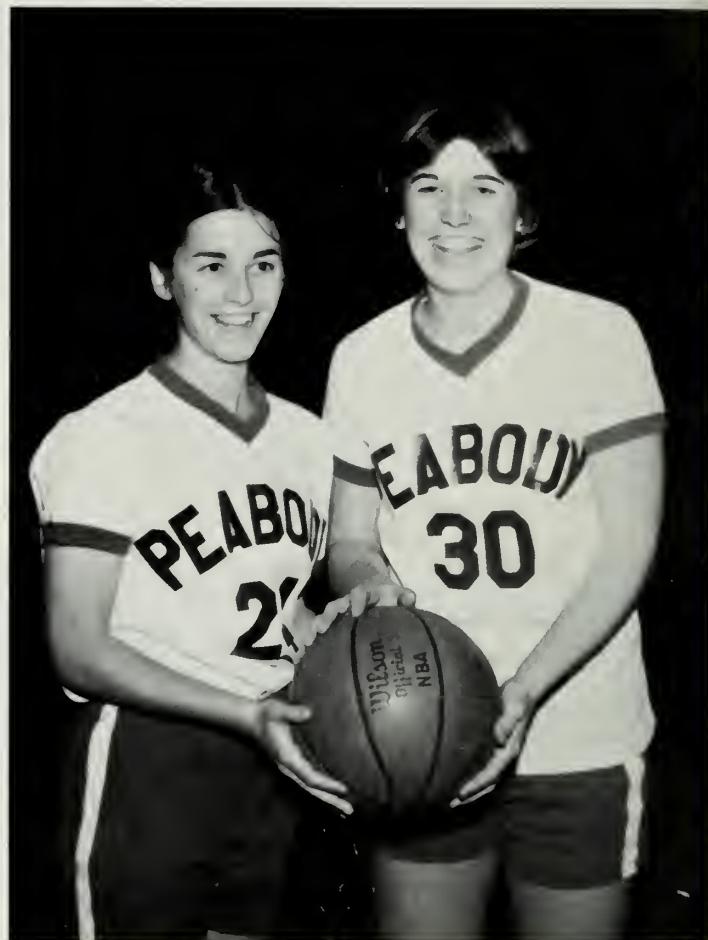

The 1978-79 Basketball team got off to a rocky start losing 4 out of the first 6 ball-games, although two games were lost by 2 points and the third by 3 points. However, the Tanners began turning the season around with a big win at Medford and reeled off 6 consecutive wins through the middle of the season anticipating the second round of the Greater Boston League.

Peabody was led by Brian Murphy who became only the second player in Peabody's history to score 1000 career points. Mark Savoie, Peter Ellison, and Steve Andre also started for the Tanners and were backed up by seniors Bob Ballard, Peter Burns, and Steve Batsinelas. Rounding out the team were Dave Mooka, Vinnie Harris, Geoff Less, Paul Cormier, and sophomore Mike White.

Row 1: S. Andre, Co-Capt. B. Murphy, Co-Capt. M. Savoie, and D. Mooka. Row 2: M. White, G. Less, S. Batsinelas, P. Burns, V. Harris, Row 3: Coach Weitzman, P. Ellison, B. Ballard, P. Cormier, Coach Leonard, Coach Lalikos, and Coach Billings.

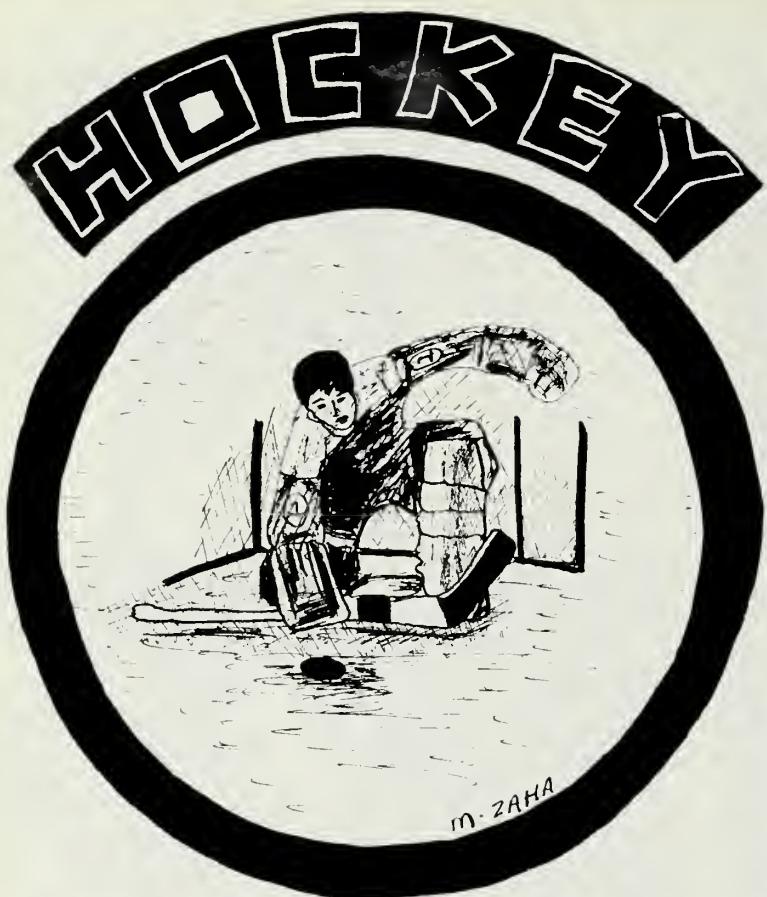

J. Hallinan and S. Townsend - Captains

1st row - S. Smith, S. Townsend, J. Hallinan, E. Sanger, C. Jones 2nd row - S. Markham, A. Carangelo, K. Maguire, D. Holden, A. Spector, P. Murphy, M. Kravchuk, Coach Jane Heil

The Peabody High Indoor Track Team had a very successful season this year with an overall meet record of 7 - 1. Before the loss, Peabody had won 15 straight, dating back to the 1978 season. Peabody also won the very prestigious Methuen Invitational to add another trophy to the award case.

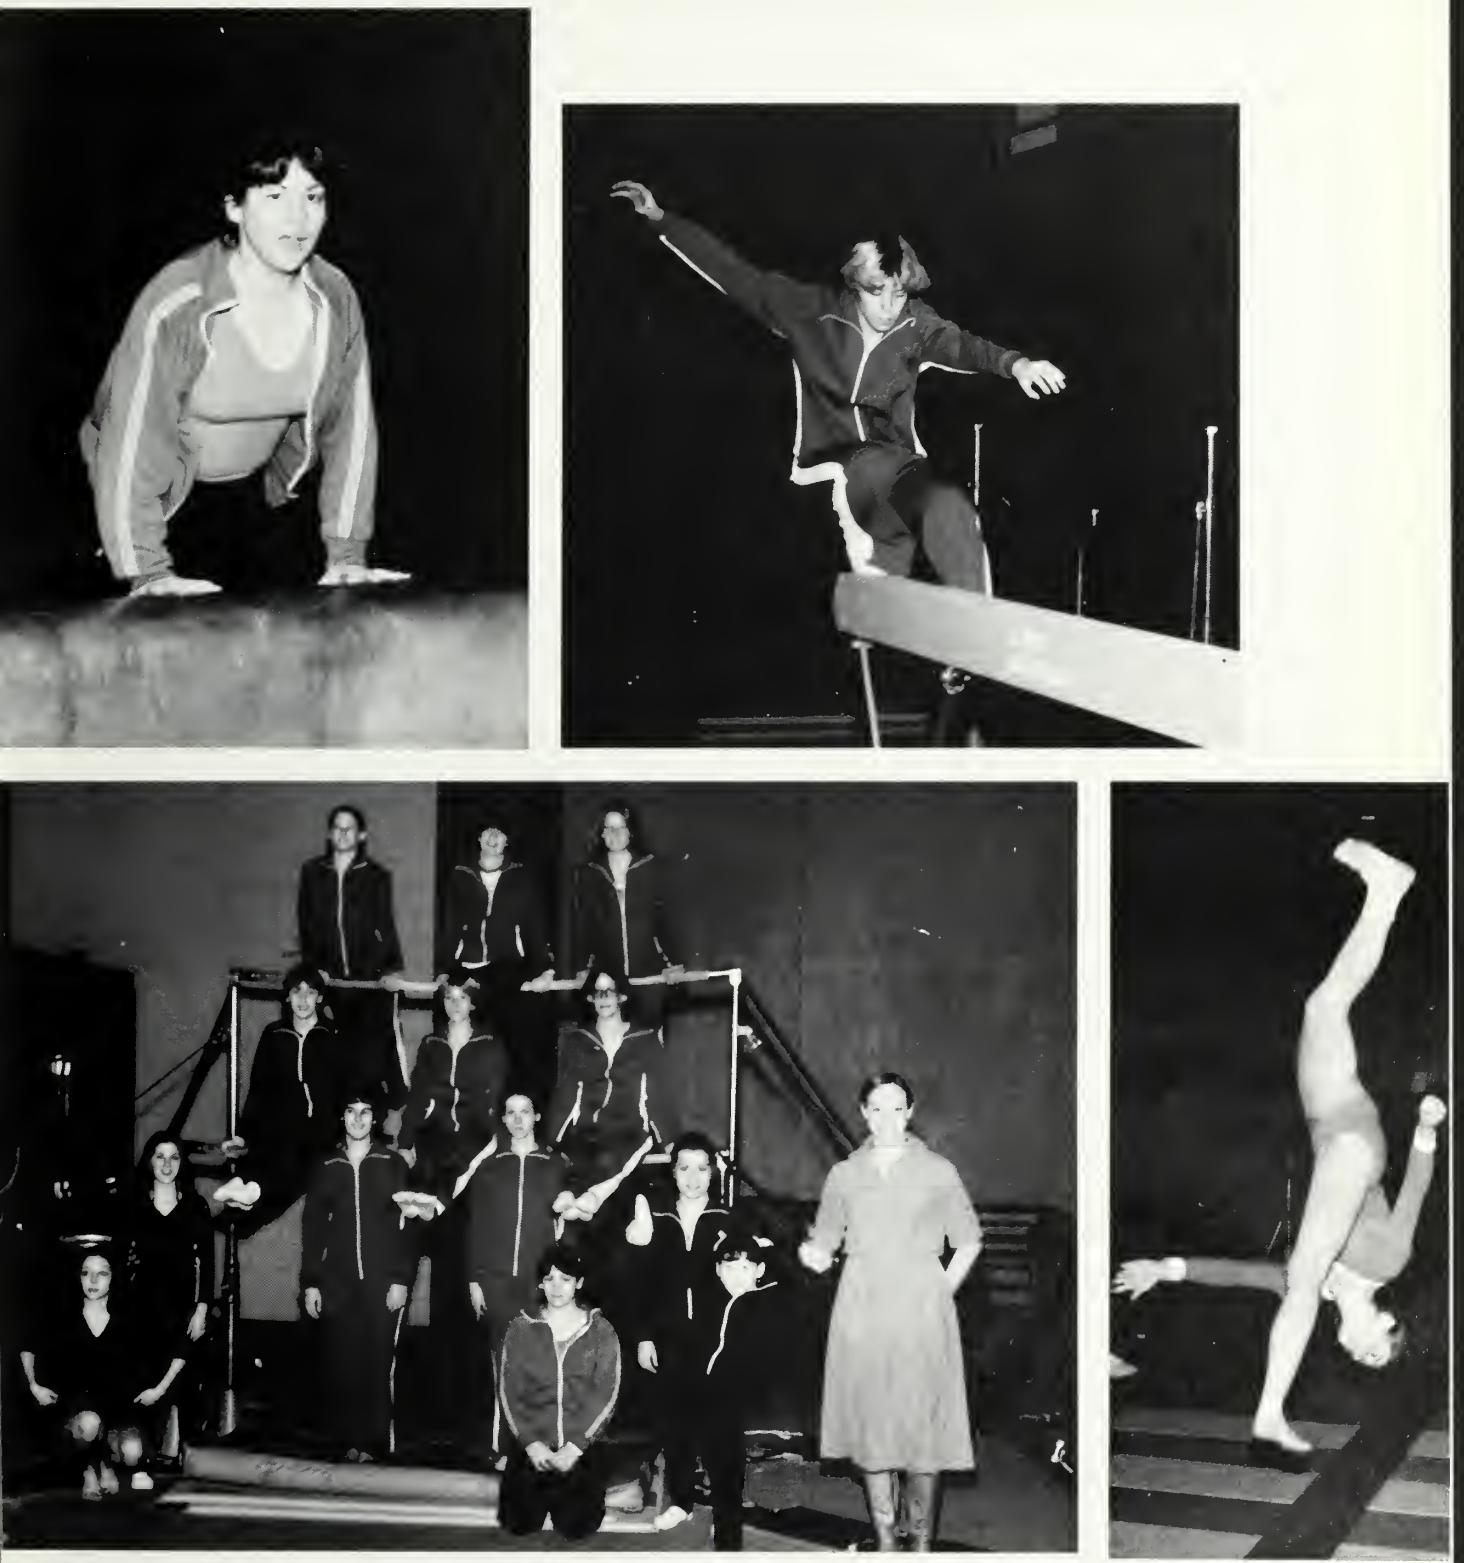

The team captains this year were Sean Connors, Jim Trager and George Hiou. George had to sit out the season due to a severe football injury.

School records were established this year by Doug Quintal in the 1000 - 2:21.4 and junior Fernando Braz in the 2 mile - 9:25.1.

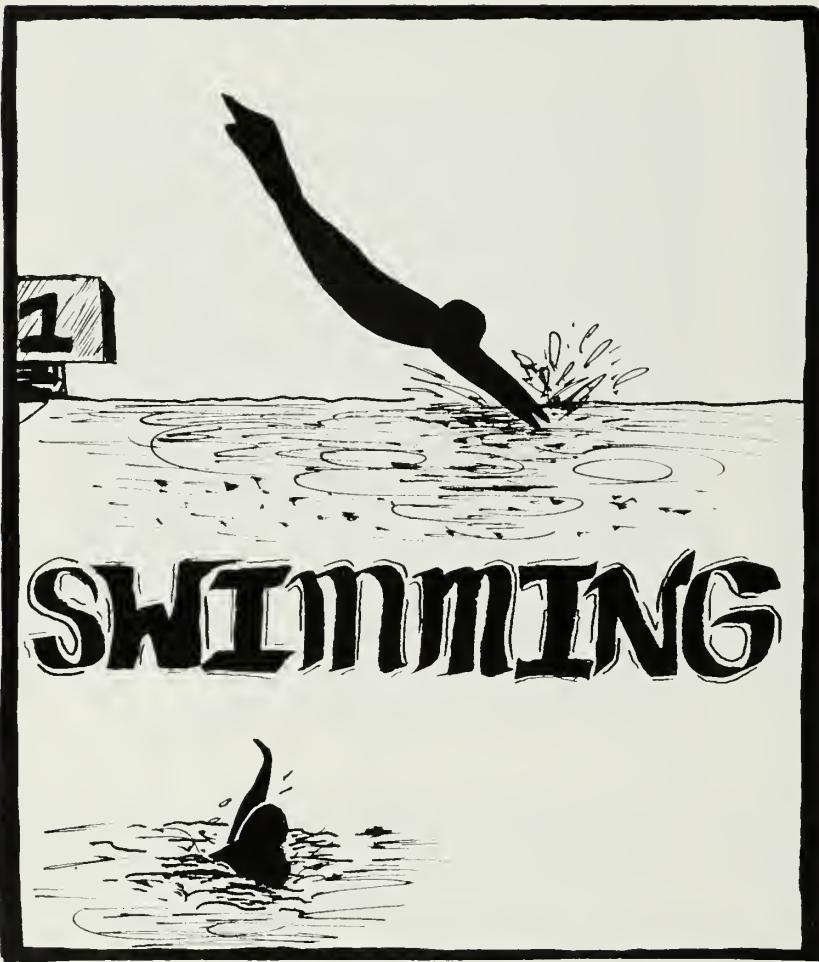

Top performers during the season were : Seniors, Elliott Fixler and Charlie Desrocher - High Hurdles; Seniors Mark Gillespie and John Lane - Dash; Junior Bruce MacGregor and Senior Jim Trager - 300; Seniors Sean Connors and Scott Wlasuk - 600; Senior Doug Quintal and Junior Rick Petrocione - 1000; Junior Tony LaRosa and Sophomore Mark Sheridan in the mile; Junior Fernando Braz and Senior Gary Leavitt in the 2 mile; Sean Connors and Junior Greg Cushing - High Jump; and Seniors Marty Michelman, Mark Gillespie, and John Lane - Shot Put.

1978-1979 marked the third season for Tanners' swimming. Seniors Roy Zalis and Dave Wall dominated the freestyle sprinting events, qualifying for the Eastern High School Championship in the fifty yard freestyle. Seniors Mike Patton, and Captain Peter Sklivas had command in freestyle- Mike in the 500 yard free and Peter in the 100 yard breaststroke. Junior Glenn Riley, superstar long-distance swimmer, has surprised the team as a 100 yard backstroker, qualifying for the Eastern Championships. Glenn Riley, sophomores Sean Lantry and Jim Francis and Roy Zalis represented the Tanners in the 200 Medley Relay. Dave Wall, Roy Zalis and juniors Paul Smith and Glenn Riley combined in the 400 freestyle relay. Both teams were represented at the Eastern Championships.

As a team, we've seen great improvement this season. Our driving has come a long way since last year thanks to the addition of our new coach Ms. Paula Keating, who has done an outstanding job. We also have secured more pool time at the Village Green allowing for longer practices and more intensive training. Next season the Tanners will have the advantage of a young team. We are only losing eight seniors; the majority of our swimmers this season are sophomores. We are hoping for a large response at tryouts, November 1979.

I wish to express my deep thanks to those who dedicated so much time and effort to the success of this yearbook.

I would especially like to thank Elizabeth Sheehan for her guidance and patience throughout the year. The 1979 staff was dedicated and diligent, and their many long hours of hard work were much appreciated.

I hope our effort to leave you with a lasting memory of your years at PVMHS has been successful.

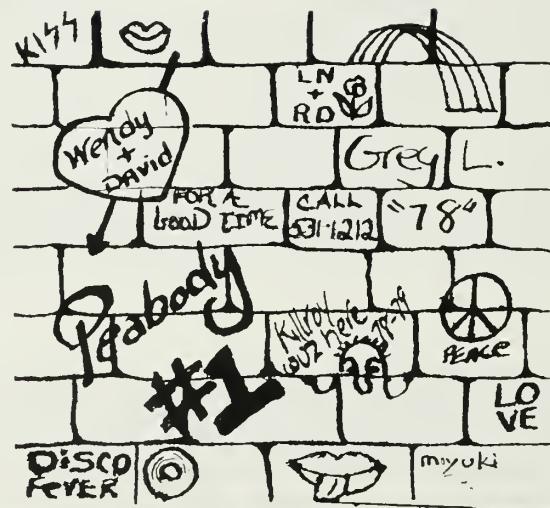

Paula Litner

"The Odd Couple"

"Raising Earthworms for Fun and Profit"

"We want gym! We want gym!"

"What seems to be the problem, Mr. Codair?"

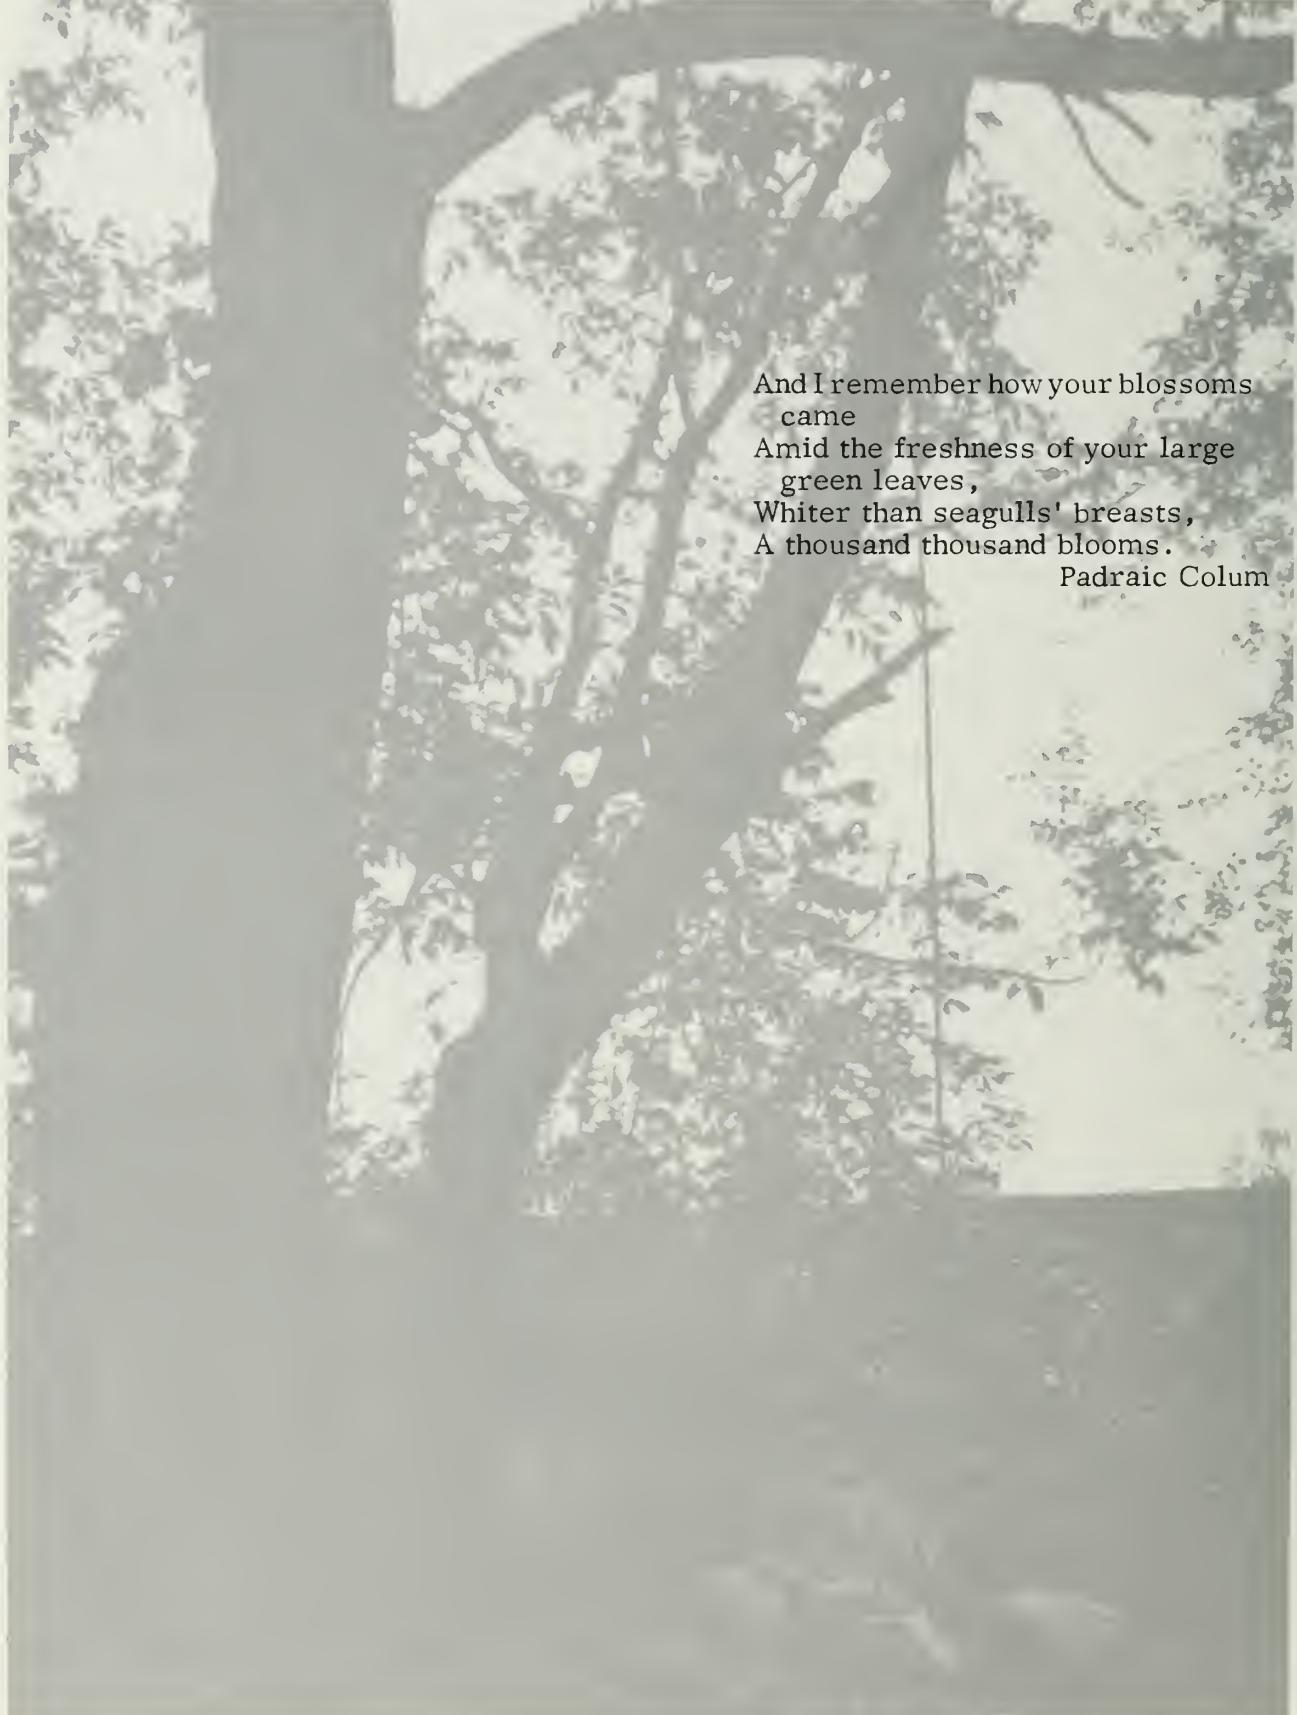

"Death Row"

"I'm a wild and crazy woman."

"Gee, officer, we were just . . . umm . . ."

And I remember how your blossoms  
came  
Amid the freshness of your large  
green leaves,  
Whiter than seagulls' breasts,  
A thousand thousand blooms.

# THE LAST OF THE 70'S

Journey back in time with us as we look at the Faces, Events, and many other happenings that have affected our lives over the past few years. We watched a peanut farmer become President, and we remember when Mother Nature took hold of our lives as she showered us with 27 inches of snow in 24 hours. We also stood back in awe as a to-

tally unknown actor came forth with one of the greatest movies of all time. We all marvelled at the fantastic ability of a hockey defenseman and shook our heads in sympathy when 10 years later bad knees ended his career. Does your memory fail you? Well come along as we relive great moments in our high school.

## Where's Peabody?

Peabody, the place in which we have grown, contains many memories that will always be special to us. How can we forget the many nights we spent eating and socializing at Land and Sea or the many days we spent walking around the Shopping Center and Liberty Tree Mall. We often saw movies at the many cinemas found in our city and after the movie we often quenched our thirst and hunger by eating either a Big Mac at McDonalds, a roast beef at Bill & Bobs or one of Treadwell's famous ice cream cones. Many times we settled for all three.

As we have changed and grown, so has our city. The new courthouse, the expanded library, and the new mall represent the progress our city has made. However much our city changes throughout the years, the Peabody we knew during High School will always be the one we remember.

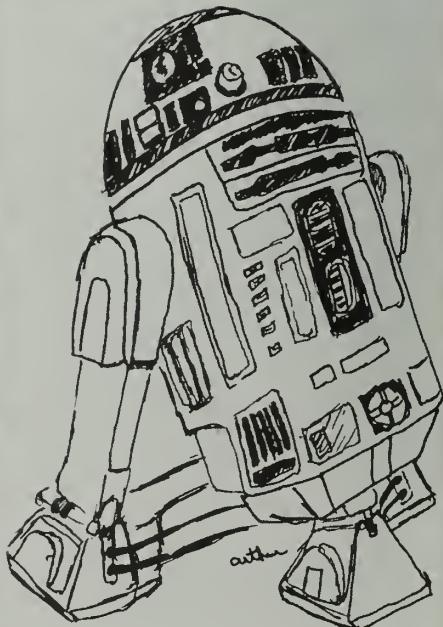

SEE NO EVIL . . .

HEAR NO EVIL . . .

SPEAK NO EVIL.

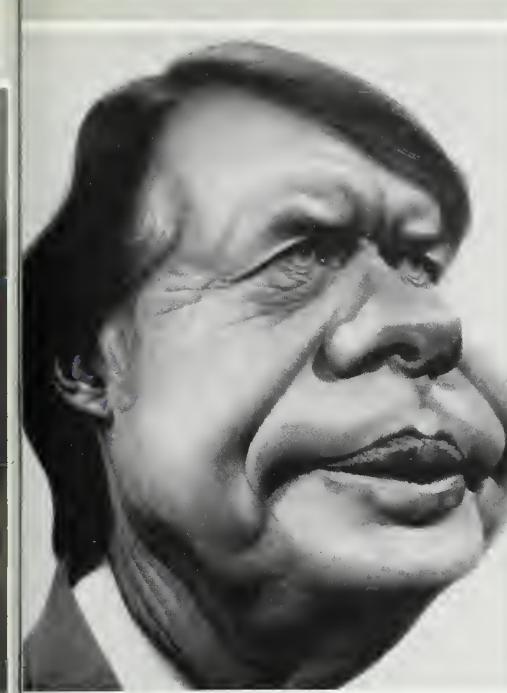

## Faces

While in high school, we witnessed the coming of two new political leaders, Carter and Nixon. Both are very different, yet both share the same hopes and aspirations. Jimmy Carter and Menachem Begin met at Camp David along with Anwar Sadat to discuss plans for a peace treaty in the Middle East. Although we witnessed the coming of the Carter Administration, we also saw the decline of Nixon through the infamous Watergate scandal. However, Nixon's scandal will not be the only one that we will remember. We will never forget the controversial trials of Patty Hearst.

While world leaders vie for peace on an international level, another dispute was settled between Farrah Fawcett-Majors and the producers of "Charlie's Angels." The result was a new angel for Charlie. Cheryl Ladd replaced the Six Million Dollar Man's wife as "the blonde angel." We also said good-by to a different kind of angel: Mary Taylor Moore and her WJM news team were fired by their new station manager.

John Travolta began another trend that is still going strong. He emerged from his role as one of Gabe Kaplan's "Sweathogs" to become a disco superstar in "Saturday Night Fever." His superb dancing, along with the Bee Gee's music made a very popular movie. He also danced his way into Olivia Newton John's heart with his more recent movie "Grease." Although we gained a superstar, John Travolta, we lost one too - the King of Rock and Roll. Elvis Presley's death was tragic to many of his grief-stricken fans.

While the public remembered Elvis's past, Alex Haley remembered his own. After twelve years' research, Haley produced his best selling book *ROOTS*. From this book, came ABC's mini-series version of "Roots." This was perhaps the most moving theatrical piece of our time. Just as a book about the past broke all television viewing records, a movie about the future became the number one box office hit. "Star Wars'" immense popularity gave life to the electronic characters R-2 D-2 and C3PO.

# Events

We live in a time of change. New and interesting events are happening all the time. We all recall the excitement that took place to celebrate our country's 200th birthday. More recently, another exciting birthday took place: Micky Mouse turned fifty.

In the midst of our celebrations, however, we must say good-bye to old friends. Good-bye to Smokey the Bear who died at the age of twenty-six. Good-bye to the thirteen-cent stamp, the big, gas-hungry cars, and the V.W. bug. Farewell to sacchrine and, worst of all, so-long to red m & m's.

Our good-byes take a more serious note when we recall the many great men we have lost. After the trauma of the death of Pope Paul VI, the world was once again filled with grief upon the sudden death of Pope John Paul I. The thought of Howard Hughes' death still lingers on in our minds.

We will also remember many controversial issues. The issue of discrimination was debated during the Bakke case.

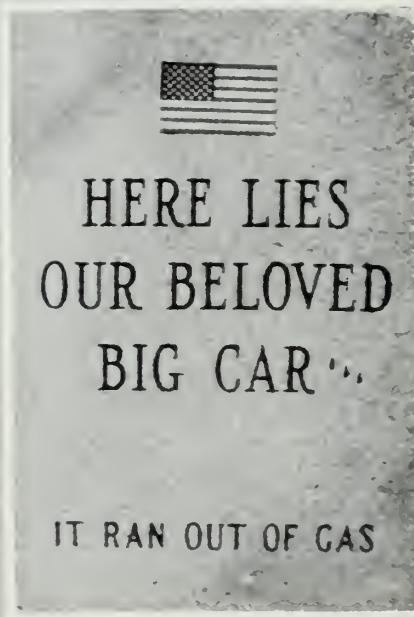

Controversy on social issues continued with the execution of Gary Gilmore who had impatiently awaited the courts' decision on whether capital punishment would be enforced.

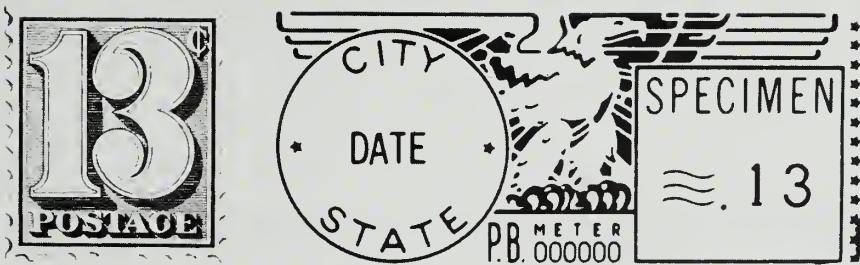

Another long awaited decision was whether or not the Equal Rights Amendment would be approved. As yet, this has not occurred.

Many important sports events took place over the past three years. A young Russian gymnast, Nadi Communichi, delighted the world with her perfect scores at the 1976 Olympics. The Red Sox also fired local imagination in their bid for a slot in the World Series. Unfortunately, the Red Sox gave up their chance to participate in this event and the Yankees went on to beat the Dodgers. Best wishes to the Bruins' Bobby Orr and the Celtics' John Halvichek, both of whom have retired. Congratulations to Dave Cowens who became player coach for the Celtics.

Congratulations to us all for surviving the blizzard of '78' and conserving energy during a crisis.

Due to advancing scientific progress, such crises may be eliminated in the future. Technology has enabled us to produce a normal healthy baby girl named Louise Brown from a test tube. Louise is only one example of other technological advances to come. These coming advances could consist of anything from cloning a human being to living on Mars. So, always hold on to your dreams, for although they may seem impossible now, in future years they may come true.

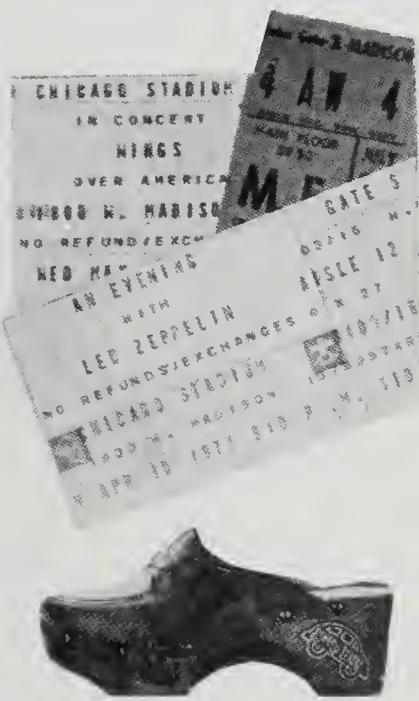

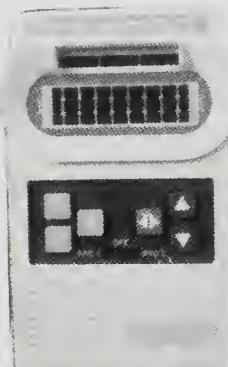

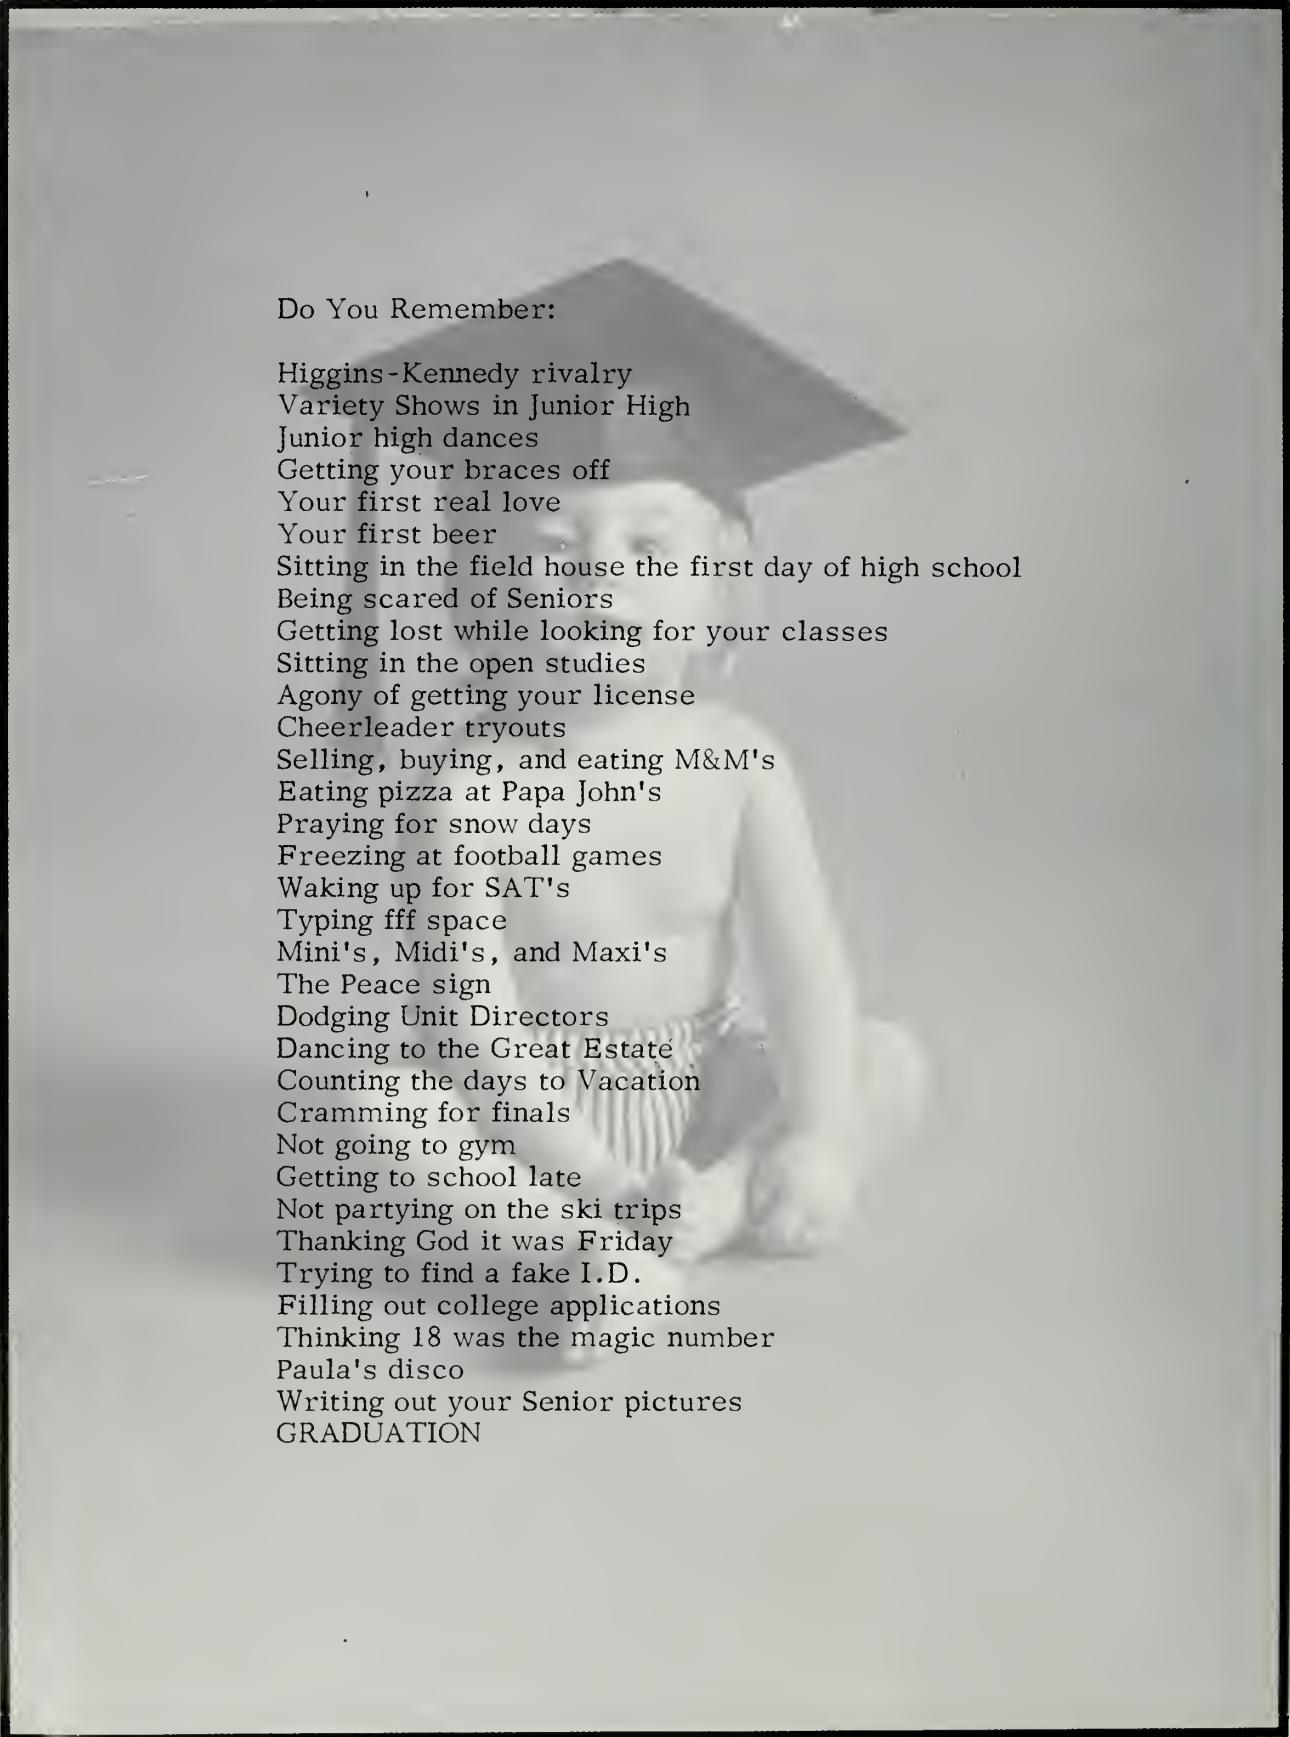

# Fads

Many fads have come and gone within the past four years. On our feet we've worn everything from clogs to ballet slippers. Our heads have been decorated with hats, perms, bandanas, "Dorothy Hamill wedges", and weak imitations of "Farrah Fawcett flips."

As the girls are discoing in their "Annie Hall clothes" their dance partners "boogie" in their Chinese -collared shirts and their "John Travolta haircuts." For rock and roll fans, the fashionable way to go to concerts is in the back of a souped-up van. On our more athletic days, we have jogging, tennis, frisbees, and soccer. Among the intellectual crowd, electronic games have been the rage, while relaxing with a drink at home has been everybody's favorite pastime.

CONGRATULATIONS &  
BEST OF LUCK PVMHS-  
CLASS OF 1979

Your years at PVMHS have undoubtedly been packed to the brim with many joyful, lighthearted memories. Good friends, happy-go-lucky days of enchanted absurdity, the warm feelings you now harbor for your school, teachers, and classmates, will remain one of your most treasured possessions. In the years to come, these memories will be recreated in your mind, as you ponder these carefree days in a moment of nostalgia. Now, as each of you in your own way, prepares to travel your separate paths in search of your own personal conquest of selected future goals, remember always, to reach for the stars in all you attempt to accomplish-for if you fall a bit short of your intended dreams, you'll still have landed on the moon.

And if I stay here with you now  
Things just couldn't be the same  
'Cause I'm as free as a bird  
And this bird you cannot change.

"Freebird"

Lynyrd Skynyrd  
Copyright: MCA Records

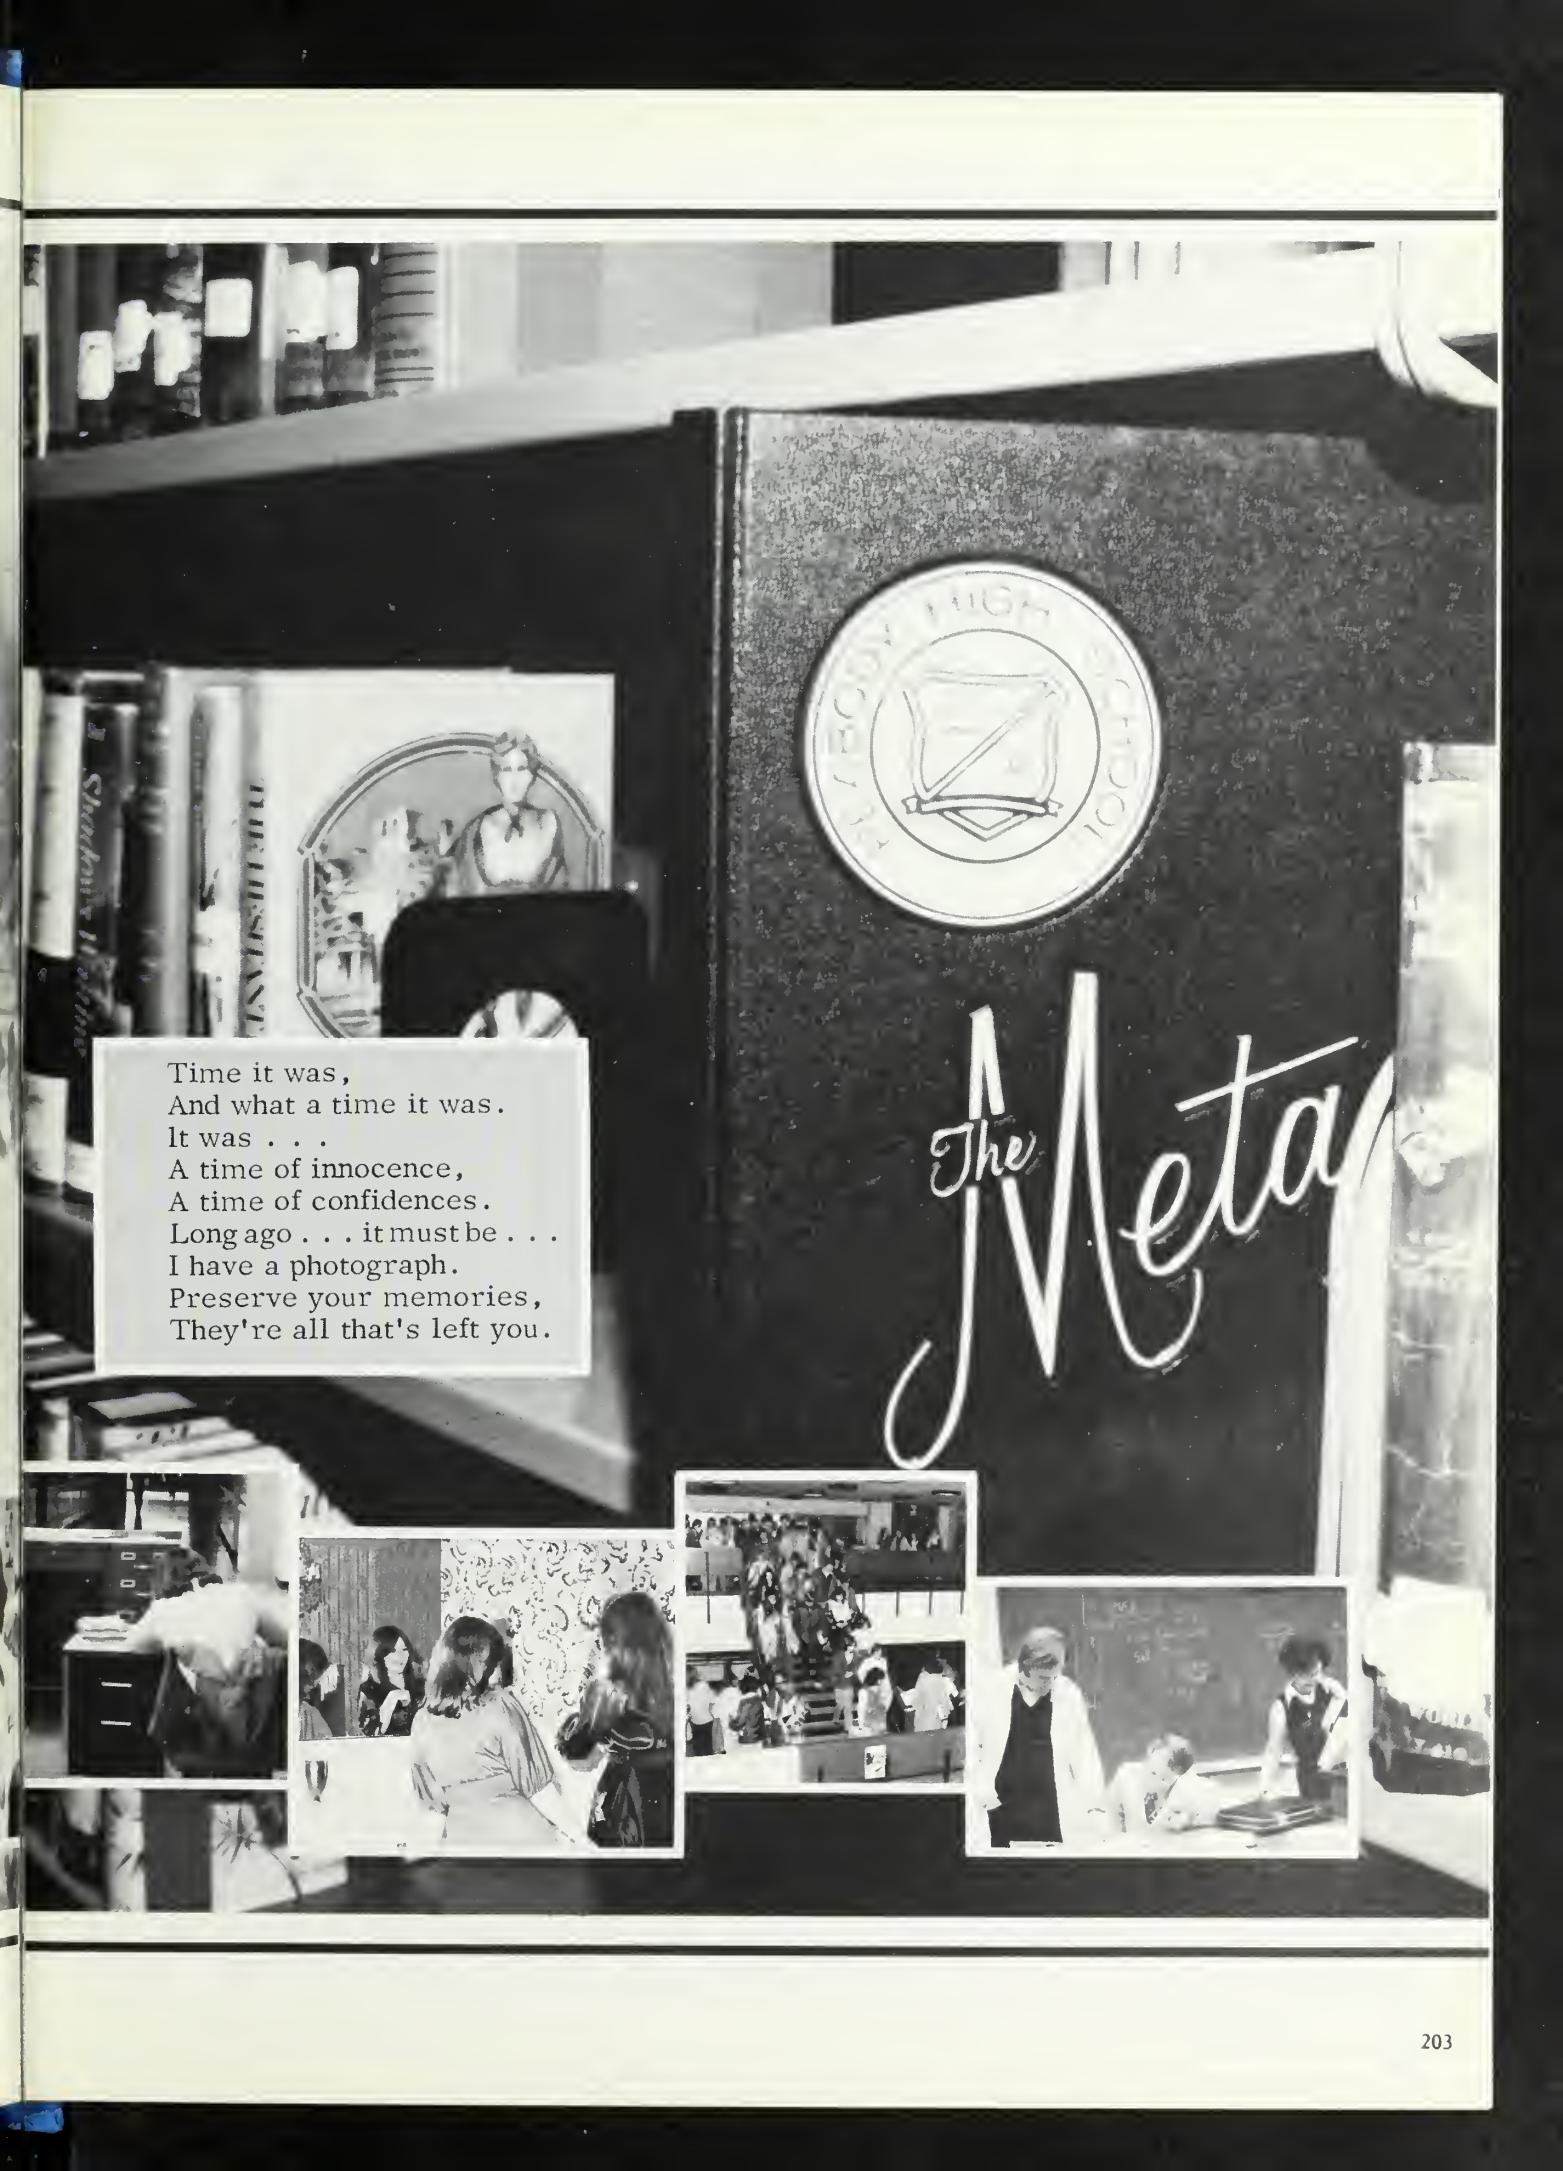

The 1979 school year has ended, at last we sit back and with a sigh of relief, and yet a twinge of sadness; it is all behind us now. As we close our eyes, the parade of people who have influenced our experiences pass through our minds . . . teachers, who have inspired our desire for knowledge . . . classmates, who have shared our achievements and failures . . . members of the administration, who have set guidelines within which we developed our potentials . . .

Now . . . Let us join the parade that leads into the future . . . in a search to find ourselves through new experiences and communications with others . . .

Time it was,  
And what a time it was.  
It was . . .  
A time of innocence,  
A time of confidences.  
Long ago . . . it must be . . .  
I have a photograph.  
Preserve your memories,  
They're all that's left you.

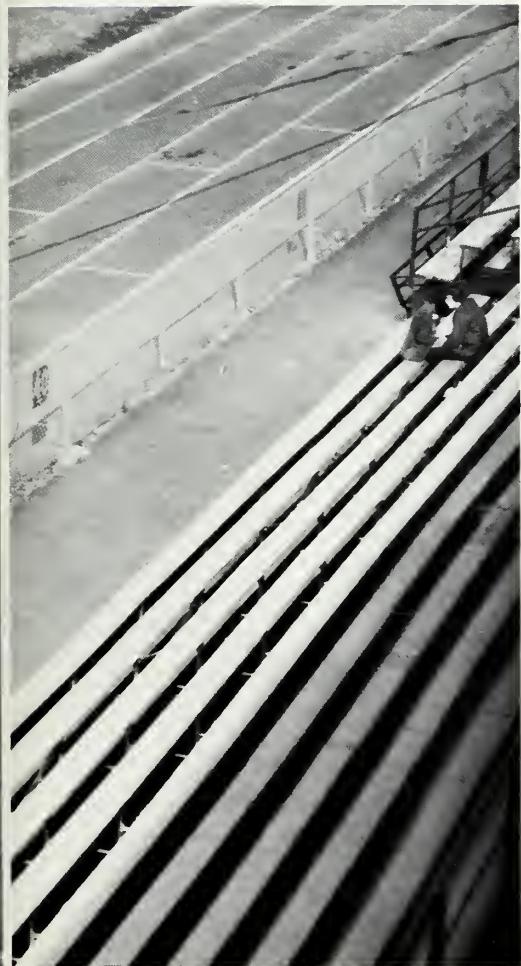

# The Neta

---

Another chapter in our lives has been written - a chapter that can never be changed. Here at PVMHS, education was our work. It was meant to be an education that reached into the deepest insides of our minds and hearts with the intention to form and change and make more perfect our ideas, dreams, and ideals.

May all the young people in years to come look back and say we did not compromise in our standards and demands. With the passage of time we will be able to appraise our own value.

We close our windows, but we do not forget. We do not close our hearts to those we have known and cared for. We do care.

This is it. It's all over. The Class of 1979 can now look back on its three years at PVMHS and laugh?

wonder?  
shudder?

We can never stay in the same place;  
If we do not move forward  
We will fall backward  
We can only grow or regress.  
The future of ours is change . . .

Farewell to you and the youth I have spent with you.  
It was but yesterday we met in a dream. But now our  
sleep has fled and our dream is over, and it is no  
longer dawn. The noontide is upon us and our half-  
waking has turned to fuller day, and we must part.  
If in the twilight of memory we should meet once more,  
we shall speak again together and you shall sing to  
me a deeper song, and if our hands should meet in  
another dream we shall build another tower in the  
sky.
